Do not put people in danger It's really stupid

I do not really like mayonnaise

The music was incredibly distracting and off putting, so i skipped.

I was shocked the weird situation

It was ok

Mildly funny, but amusing was not an option Kind of stupid, nobody would actually do that It's an ad

It was a creative and amusing advertisement.
The hellmann's advertisement feels modern and refreshing
I love hellmann's, and the bit about the garage door is amusing
It was silly

The unexpected raising of the garage door Funny

It was hilarious, and the actor stayed calm, which i probably wouldn't have. At first i thought it was stupid but the tag line at the end made me rethink it.

The five secrets to success

Emotion

How well does the basic idea of the ad create positive feeling? What is driving any negative emotion? What types of happiness are people feeling?

Fluency

Is the brand quickly and easily recognisable? Is the ad making effective use of Fluent Devices? Is there a potential for more?

Hook

What did the ad use to hook viewers and avoid early skipping? Did it work as intended? Could it have been better by using specific elements?

Attention

Were consumers attentive to the ad? The brand? Its message? Or did they sign out?

Activation

Any data on how it will perform for short term Sales? Was there a call to action? A price tag? An end date for an offer?
